Katie Holmes Looks Summer Chic In White Lace Dress

Katie Holmes looked angelic as she attended the ASP - The World Surf League cocktail party on Thursday, July 24, in New York City.

The 35-year-old glammed it up in a short white lace dress with sheer sleeves and ruffles as she admired the city skyline from the rooftop at The Jimmy at the James Hotel. She kept her hair in loose waves and rocked simplistic makeup, but made sure to slip on some sexy heels.

Holmes posed with pro surfers Coco Ho, Stephanie Gilmore, Kelly Slater and Courtney Conlogue, as well as Harvey Weinstein and Matt Lauer.
