EAT AND DRINK

NYC pools with cocktails

The beach is great and all, but there's no annoying sand at a pool. And at public beaches, alcohol is not permitted - same thing with public pools. So where does that leave us?

Luckily, in New York City there are a handful of hotel's that open up their pools to non-guests. These are pool parties at their finest: cocktails and all.

Pool party season has just begun, so we will be updating this as parties get announced. Stay tuned, and for now, head to one of the pools listed below...

Summer Pool Parties at Jimmy at the James SoHo

Located in SoHo, the Jimmy at the James summer pool parties are a place to see and be seen. Wear your hippest attire, no joke. The parties go down every Saturday and Sunday beginning at 3 p.m. and feature rotating DJs each week.

Small plates and cocktails will be plentiful.
