## BRUGAL MUDDLER MATCHUP SoHo

*Manhattan* magazine celebrated its June Nightlife Issue with Brugal Rum at Jimmy at The James Hotel. The "Muddler Matchup" themed rooftop soiree put three of Jimmy's top mixologists, Johnny Swet, Olivier Njock and Aleksy Cisowski, head-to-head to create custom Brugal Rum cocktails. Guests enjoyed views of the New York City skyline while grooving to DJ Martial's 80's pop-inspired mix as they sipped the *Queens Park Swizzle*, *Untitled* and *Airmail* custom cocktails. Attendees were encouraged to Instagram and tweet their favorite pictures of the night using hash tags #NIGHTLIFEISSUE and #MUDDLERMATCHUP for a chance to win a special prize, courtesy of Brugal Rum. Jimmy's co-owners David Rabin, Larry Poston and Johnny Swet were all featured in the issue, making it the perfect location for the nightlife soiree.
