## JIMMY, The James New York

A favourite rooftop among the Soho crowd, 70s-style JIMMY has a fireplace, wooden furniture and funky Arco lamps, which will make you feel as though you've stepped into a DJ's living room rather than a bar. As for drinks, the hotel has its own organic garden where herbs and fruit are picked to produce house bitters and syrups – the “Legal in Vermont” cocktail, composed of bourbon, cinnamon and orange bitters, tastes seasonally appropriate. The team behind JIMMY is also responsible for other top spots in the city such as Balthazar and Pastis, so know you're in good hands.
